CORONAVIRUS COVID-19

OUR POLICY

Please be advised that our office will be temporarily closed until further notice.

For the health, safety and well-being of our customers, employees and communities, we will be implementing a working-from-home policy from **Monday 23rd March 2020**.

There should be no impact on existing working conditions and all Technicians are on-call and ready to keep your business running smoothly.

Here to Help

As the situation evolves we want to re-assure you that we are doing our utmost to eliminate disruption to your business. We are closely monitoring all levels of our supply chain and will continue to provide updates as and when necessary.

In the mean time we want you to know that in all instances our goal is to support our customers and meet demand as effectively as possible.

HARWARE

Print:

Print will continue to function as usual. We have two technicians working on rotation to ensure your business Print needs are managed effectively in light of current issues.

SOFTWARE

Video Conferencing:

We have seen an exponential rise **Lifesize** orders in light of new remote working. **Lifesize** are currently offering unlimited free users for 6-months.

Email: sales@mbs.im for further advice on equipping your business for remote working.

Laserfiche:

Our **Laserfiche** engineers will continue to support your business remotely. Existing clients continue to praise the document management system for the simplicity and flexibility with remote working.

eSignatures:

The demand for electronic signatures has never been greater. **DocuSign** enables your staff to send documents and gain legally binding signatures when both your staff and customers may be working from home. **DocuSign** is fast – about 60% of documents are signed in an hour – and saves money with a typical saving of £27 per document.
